Occasional Care Policy

Occasional care is offered to children who are between 3 years and 6 months and their pre-entry term, who are toilet trained and who separate confidently from their parents.

We offer one session per week on a Wednesday or Thursday. Occasional care sessions run from 9-00 a.m. to 12 noon. Sessions are only available if enrolment numbers allow.

Bookings need to be made on a weekly basis. If all spots are taken for that day parents will need to choose an alternative day or wait until the following week.

The cost for each session will be $20.00, which must be paid on the day that the service is used.

An enrolment form must be completed and left at the kindergarten prior to children attending occasional care to provide us with emergency information.

The children will need a healthy snack, change of clothes and a sun safe hat, not a cap. Thongs must not be worn at kindy.

Families should read our policy book to familiarise themselves with kindy policies and routines.
